Life Group Questions – November 8, 2020

6:8

Connect & Review

1. What is the most unfair thing that has ever happened to you? Describe how it made you feel.

Investigate & Dig

2. What do you think about when you hear the word “justice”? Why is it easy for us to separate justice from the gospel? What does the ministry of Jesus teach us about this (cf. **Luke 4:18-19**)?
3. **Read Micah 6:1-8.** Why are the people angry with God? What don’t they understand about faith? What is God’s response to them?
4. How would you define justice? Why does God hate injustice? What evidence of this do you see in the Bible?
5. What does God consider to be “true religion” (cf. **James 1:27; 1 Samuel 15:22; Isaiah 58:1-11**)? Does this mean He doesn’t still desire our personal worship?
