### Childcare Workers:

This summer, we will launch a new women's Bible study on Wednesday mornings. To support this important ministry, we need to grow our paid childcare team. If you are interested in joining the paid childcare team, please contact Missy Nesit (Missy@cherryhillsfamily.org) to find out more. We will need at least 10 paid childcare workers for the summer session and also a healthy list of people who can sub on occasion.

In my new role as equipping pastor, I work with our small group leaders (I have a training time at 10:30 today). On behalf of our church, I'm also visiting some of our global mission partners each year. Last month, Tricia and I visited **Steve & Rhonda Ashworth in Amsterdam, Holland**—our missionaries for 30 years. They're so grateful for our partnership.

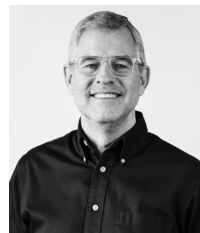

### Steve & Rhonda are on staff with Youth With A Mission (YWAM).

YWAM's vision is to share Jesus in every nation through young people. Steve oversees YWAM teams in the Netherlands. Rhonda focuses on unreached people groups—those who haven't heard the good news of a relationship with Jesus. YWAM trains young people to bring hope to the hurting and broken.

We met some of the students and staff over meals, worship times and classes. **To see so many 20-somethings on fire for the LORD was deeply moving.** Our last day there, we took part in a prayer time where each of us prayed (one after another) in our own native tongue, and over 27 different languages went up to God in that room. It was a taste of heaven.

**Populated by people from 210 different nations, Amsterdam is a city rich in history.** My ancestor William Brewster, sailed to America on the Mayflower in 1620. Prior to that, in the early 1600s, he spent over a decade in Holland fleeing religious persecution. We saw where he lived and worshiped. We also visited the home of Corrie ten Boom, author of *The Hiding Place*.

When we asked Steve & Rhonda how we could further assist them, they said this summer, there's an outreach event in Europe where **they hope to offer a Bible to everyone (who wants one) in their own language**, and \$5,000-6,000 would make it possible. So, our church is sending them \$6,000 to make it happen. What a joy to picture God's Word going out!
