Life Group Questions – February 19, 2023

## Connect

1. Have you met any missionaries personally or read about any missionaries? What is it about them that stands out to you, inspires you, impresses you?

## Learn & Apply

2. Read Matthew 28:18-20, John 20:19-23, Acts 1:6-8. How do these passages increase your understanding of being sent? Have you ever considered yourself a missionary in Central Illinois?
3. Are there any “paths” in your everyday life where you can begin joining God in His mission (family, school, gym, work, etc.)
4. What roadblocks keep you from living as a sent person? (fear, lack of prayer, etc.)
5. Do you know your spiritual gifts? Have you taken the spiritual gifts class to determine your gifts, or can you identify your gifts by looking at the list of spiritual gifts on the back of the notes?
6. Did anything stand out to you about spiritual gifts or did you learn anything new?
7. As we conclude the Fully series, has anything stood out to you? Any one message, or anything you have applied to your life?

## Care and Pray

We ask our groups to focus on **3 simple practices: to care, learn and pray together.** Is there an area of your life producing anxiety that your group can pray for?
