Hearing God in Community  
Luke Martin

## Prophetic Community

- ◆ If we want to \_\_\_\_\_ in the way of Jesus, we must \_\_\_\_\_ to hear His voice.
- ◆ Words exchanged in a community are a powerful tool through which God \_\_\_\_\_ to us and \_\_\_\_\_ us.
- ◆ To say God speaks in community is either a really arrogant and naïve statement, or an absolutely \_\_\_\_\_ and profound \_\_\_\_\_.
- ◆ Broadly and simply put, \_\_\_\_\_ is \_\_\_\_\_ a word from God to people.
- ◆ Jesus' death, resurrection, and \_\_\_\_\_ are not the end of prophecy among God's people. It is just the \_\_\_\_\_.

## How do I grow in my capacity to share with someone else what I think God wants them to know?

1. Speak less, \_\_\_\_\_ more.
2. \_\_\_\_\_ your motivations to ensure the intent and delivery is Christlike.
3. Don't \_\_\_\_\_ people with your word.
4. Participate in a community of \_\_\_\_\_.

## How do I grow in my capacity to hear God in community?

1. Get in deep relationships where you are \_\_\_\_\_ and vulnerable.
2. Make sure your community includes the "\_\_\_\_\_."
3. Be immersed in prayer and \_\_\_\_\_.
4. \_\_\_\_\_ past failures from others and let go of \_\_\_\_\_.
