Kids Ministry Lego Creations - I Am's:

Our Elementary kids made Lego creations inspired by the "I Am" statements of Jesus that we have been studying in our current sermon series. You are invited to see their creations in the hallway outside of room 203 today and next Sunday, March 29. We love that we have been able to learn across generations about Jesus' bold claims.

Hospitality On Easter:

Would you consider serving with our First Impressions team this Easter as a greeter or usher? We only have a few spots left to fill, and we'd love for you to help us create a warm, welcoming experience for everyone who walks through the doors this Easter! You can sign up by texting "serve" to 217.546.4818.

Essentials Class:

Essentials is our "start here" environment. It's a 7-week Sunday morning class beginning April 12 at 10:30am designed to help orient you to the basics of Christian practice and equip you to live a better story: God's story. Essentials will prepare you for a next step into baptism, membership, Institute, life groups, or whatever God is moving you toward. Sign up by scanning the qr code or text "essentials" to 217.546.4818.

March Offering - Send Kids To Camp:

This month (March), we are taking a special offering throughout the month that will go toward sending our middle school and high school kids to FUGE Camp from June 8-13 in Jackson, Tennessee.

You can give online (text "give" to 217.546.4818) or drop a check/cash in the offering basket or black boxes in the back of the worship center. Please make sure it's clearly marked "student camp" on your check or envelope.

a word from: Caleb

Hello Church, Student Ministry is in a really encouraging season right now, and it's worth a quick moment to hear what God is doing and what's ahead.

This spring, we've been walking through Ephesians, focusing on the joy and truth of what it means to be "in Christ." This series has brought deep encouragement while also sparking meaningful conversations. Each week, those conversations continue in small groups across all ages, from our 6th-8th graders at MSM on Wednesday nights to our 9th-12th graders at HSM on Sunday nights. There is something powerful about students processing the truth of the gospel together and learning what it means to follow Jesus in their everyday lives.

Our small group leaders continue to be a huge part of that. Their investment, consistency, and care help carry the weight of discipleship in our ministry. Seeing students build real relationships with spiritual mentors is something worth celebrating.

As we look ahead, we're also stepping into a season where *we need to add to our small group leader team*. As leaders transition out, new opportunities are opening up. If you've ever felt a nudge to invest in discipleship of the next generation, I'd love to connect with you about what that could look like. You can email me at Caleb@cherryhillfamily.org.

And speaking of what's ahead—summer is coming, and we're preparing for a big one. When routines shift and schedules open up, we consistently see God do significant work in students' lives. From weekly gatherings and Bible studies to special events (including Senior Epic for our graduating seniors), there's a lot to look forward to.

We'll kick it all off with FUGE Bible Camp (June 8-13). We currently have 47 students heading to camp, and every one of them is receiving financial support because of your generosity. Thank you for giving this month, and for those who are still planning to give, thank you in advance. Your support is directly impacting students and creating space for life-changing moments.

It's a joy to share what God is doing in Student Ministry. Thank you for being part of it.
