Good morning church family!

I'm writing this morning to let you know about an upcoming worship choir opportunity. Our choir here at Cherry Hills will be helping to lead in worship on Sunday August 16. The choir is not only an excellent way to connect with others but also a great way to participate as a vocalist. I have participated in choirs since I was in elementary school, and I do believe there is nothing quite like making music alongside a community in this way. It's unique and uplifting, a reminder that we are called and created to make a joyful noise, a chance to be lifted by others as you contribute to the whole!

Perhaps you've considered being a part of our worship choir in the past, but full schedules and other commitments have kept you from giving it a try. This is an excellent chance to sing with us for one Sunday, no strings attached.

Rehearsals will take place on Wednesday evenings from 6:30-8:00p beginning July 22 in our choir room which is located backstage in the worship center. Childcare is provided.

Our worship arts ministry exists to create something beautiful for our church family, week in and week out, that it might help us together to encounter the God who knows us and loves us deeply. If you would like more information about our choir or about getting involved in this ministry in a different way, please don't hesitate to reach out. We are always looking for artists to join us in this pursuit.

You can reach me at chuck@cherryhillsfamily.org or register for choir by scanning the QR code.
