Family Ministry Memory Verses:

This year, Family Ministry will be memorizing the same Scripture verse in all ages (Nursery - High School). In addition, each month we will have a special give-away for families with the Bible verse on it. On the last Sunday of every month, we give kids the opportunity to say the memory verse for a prize! Our memory verse this month is Joshua 1:9: "Have I not commanded you? Be strong and courageous. Do not be afraid. Do not be discouraged. For the Lord your God is with you wherever you go."

Cherry Hills, on Sunday, October 4, from 6-8pm in the Worship Center, we invite you to join us for our second Thinking Biblically About... forum.

This series grew out of the summer book club I lead, where we read and discuss books addressing some of the most challenging and controversial issues in our culture. In a time when civil discourse is often replaced by polarization, outrage, and extreme rhetoric, these forums are designed to help us engage difficult topics together with both truth and grace. Each forum includes a 45-minute teaching session followed by small-group discussion around guided questions. The goal is not simply to react to the issues of our day, but to think biblically about them and learn from one another as followers of Christ.

Our first forum focused on immigration. This time, we will be exploring the topic: Thinking Biblically About... How Christians Should Respond to Gender Dysphoria. Gender dysphoria refers to the distress, discomfort, or anguish a person may experience because of a disconnect between their gender identity and their biological sex. For some, this distress may lead them to identify as transgender and pursue social, medical, or surgical steps to transition.

To be clear, this forum is not intended to debate whether changing one's sex is biblical. Cherry Hills holds to the biblical teaching that God created humanity male and female, and we remain committed to a biblical sexual ethic. Instead, our focus will be on a different question: *How should Christians respond to individuals experiencing gender dysphoria in a way that reflects both the truth of God's Word and the compassion of Christ?*

If you would like to join us, **please register in advance so we can prepare well.** Childcare will also be available for children ages birth through 5th grade.

Cherry Hills, while the world around us continues to change, God's Word remains the same. We look forward to growing together as we seek to navigate complex issues with wisdom, conviction, humility, and love.
