

Life Group Discussion Guide

Week of October 4 | Romans 1:18–32

Groups should care, learn, and pray together, using these questions as a guide to respond to God.

Questions

1. As you invite the Spirit to examine you, is there an area of your life where you know you need to change, but have had a hard time changing?
2. What prevents you from turning good intentions into real transformation? What would make a real difference?
3. How do you have a healthy conception of God as judge without experiencing God through shame or relating to God in a negative way?
4. What is the difference between suppressing truth and honest doubt or uncertainty?

The Midweek

If helpful, take a listen at some point outside your group's gathering to our most recent episode of The Midweek, which addresses questions about homosexuality.
