a word from: the elders

As we celebrate God's faithfulness to Cherry Hills, we have found ourselves reflecting on one of His great gifts to our church family: the staff He has assembled here. While our church is much more than its staff, we are deeply grateful for the men and women God has called to serve in these roles.

Behind every worship service, student gathering, children's ministry environment, Life Group resource, communication, event, hospital visit, counseling conversation, financial report, and facility project are faithful servants seeking to help our church family follow Jesus.

Many people only see a small portion of what a church staff does each week. One framework that has helped us think about our calling is T.I.C.K.:

T – Tone: Church staff help set the tone for our church family through humility, authenticity, encouragement, and dependence on Christ.

I – Infrastructure: Staff members build and maintain the systems, planning, communication, training, and preparation that help ministry happen effectively.

C – Continuity: Church staff provide continuity from one season to the next by honoring God's faithfulness in the past, investing in leaders today, and preparing the next generation for the future.

K – Kingdom: Above all, we seek God's Kingdom first and want to cultivate a church family that celebrates what God is doing here and throughout His Church around the world.

This month we also thank God for two pastor-elders who have faithfully served our church family for many years and contribute to the continuity we experience: Brian Schwarberg, who is celebrating 20 years of service, and Steve Patzia, who will celebrate 25 years next year. We are grateful for their leadership, shepherding, teaching, and investment in countless lives.

Please join us in praying for and encouraging our staff this month.
