

5 Simple Ways To DO GOOD

To Live & Be Led By God's Holy Spirit => Fruit Of The Spirit
The Fruit Of The Spirit Is Love = To Do Good To Others

A Word.

Writing or speaking words that encourage, cheer, restore & build up is life-giving. In an increasingly impersonal age, a handwritten note or genuine compliment is a gift.

A Look.

Taking time to look someone in the eye and acknowledge them is powerful. In this age of incessant "screen time," loving attention and a listening ear are huge.

A Touch.

A loving high-five, handshake, hug or hand on the shoulder can lift a heavy heart. In this age of physical & sexual abuse, appropriate touch can bring healing.
NOTE: *Inappropriate or uninvited touch is unacceptable & unloving in God's sight.*

A Gift.

Sharing our time, money, food, possessions or talents communicates tangible concern. In an age of materialism & greed, we can break free from it by sharing freely like Jesus.

A Prayer.

To stop & pray with/for someone (in person or by phone) has immense spiritual power. In this skeptical age, calling on the LORD for one another does more good than we know. Praying for unbelieving friends, family members & even enemies is a way to bless them.
